THE HON'BLE MR JUSTICE S. ANANDA REDDY

WRIT PETITION NO.20992 OF 2005

ORDER

This Writ Petition is filed by the petitioners, who are stated to be the students pursuing their course in M.Tech studying in the specialized subject of Structural and Construction Engineering. The grievance of the petitioners is that all the petitioners were not successful in the specialized papers when their answer scripts were sent for evaluation. It is stated that since all of them were unsuccessful as per the valuation, they made representations to the University as well as the Vice-Chancellor about the mode of valuation and they, in fact, sought for revaluation of all the answer scripts of the petitioners. But, however, as no action has been taken by the respondent-University, the petitioners have come up with the present Writ Petition.

This Court ordered notice before admission where it was even recorded by this Court that as per the copy of letter of the Registrar of University, dated 23.8.2005 the standing Committee of the University has already taken a decision to get the papers re-evaluated by two examiners. Therefore, the matter was adjourned and listed accordingly today. At the time of hearing, it is represented by the learned Standing Counsel for the respondent-University that basing on the representations of the students, the Vice-Chancellor of the University has taken a decision to get the papers re-valued as requested.

In view of the said decision taken by the Vice-Chancellor of the respondent-University to get the answer scripts of the petitioners revalued, the Writ Petition is closed recording the said decision of the Vice-Chancellor. The University is also

directed to complete the revaluation before the commencement of next semester. No costs.
